CCH[®] AnswerConnect

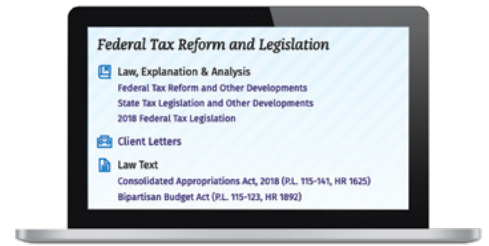

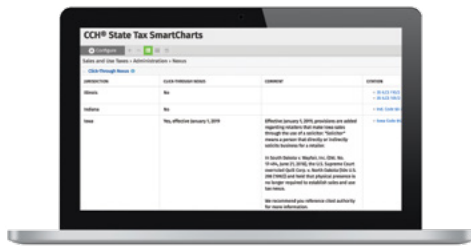

Research Revolutionized

CCH AnswerConnect is a research platform backed by over 100 years of expertise and uniquely designed to deliver comprehensive, technical information in an easy-to-use format. With unprecedented access to the industry's best content, you will greatly reduce your research time and improve the accuracy of your work.

What Makes CCH AnswerConnect Different

Deep Domain Knowledge

CCH AnswerConnect's expertly-written content covers all aspects of international, federal and state tax. You will find answers for every question your clients present. From clear-cut compliance issues to complex topics, content is written in straightforward, plain English so it's easy to understand.

Built for Your Success

Years were spent gaining a complete understanding of the primary challenges and pain points professionals experience when conducting research. Content was completely rewritten and is fully integrated with the software you use daily. CCH AnswerConnect's "all-in-one" approach to organizing content gives you more time for other things — work or otherwise.

Technology for the Real World

Technology has reinvented how you live and work, consume information and perform daily tasks. You use the internet and mobile devices every day — it's all about speed, convenience and productivity. CCH AnswerConnect was designed to anticipate and adapt to your needs, with little to no learning curve and content you can trust.

Designed for Efficiency

CCH AnswerConnect eliminates the need to run multiple searches and accelerates the "speed to answer". It's full 360° view provides faster access to comprehensive and accurate answers. Everything you need to support your answers, including related materials such as regulations, explanations, cases, IRS publications, forms & instructions and time-saving practice tools can be found in one place.

Thriving on Change

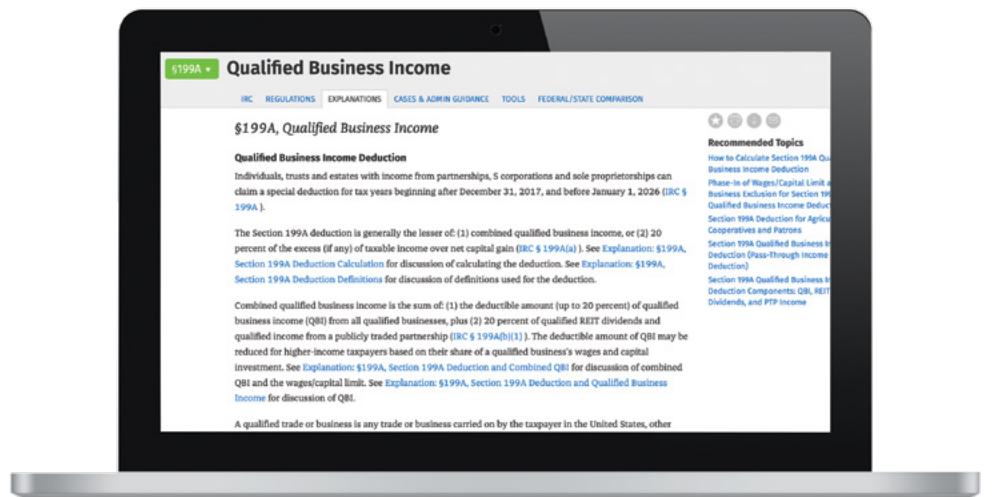

With state-of-the-art features and a seamless integration across topics, CCH AnswerConnect combines accurate, up-to-the-minute information with expert analysis. All exclusive commentary is written with clarity and accuracy to assist with identifying and reducing tax risks for your business or clients.

Everything you need in one place:

- Recommended Topics
- Key Primary Sources
- Client Letters
- Practice Aids
- IRS Publications
- Plus, much more
